

M. A. Community Counseling Eligibility for Comprehensive Exam

M. A. Community Counseling Comprehensive Exam

ELIGIBILITY

- You must be in good standing academically with a grade point average of 3.0-4.0 (out of 4.0). You cannot be on academic probation.
- You must have completed all your core coursework (see MA Community Counseling Program Overview) before you take the examination, that is, all the required courses included in the MA Community Counseling Program except Counseling Practicum Seminar and Counseling Internship seminar.
- You can also file petition for the examination during your last semester of your course work, and take the examination right after you finish your last class if you satisfy the above two conditions when you take the examination.
