

**Counselor Education Department
Master of Arts in Community Counseling
Professional Development Requirements**

In order to support success in the Master of Arts in Community Counseling program, the Counselor Education Department requires students to attend the following events by the end of their second semester here at Argosy, and **before they can apply for practicum**. This policy will effect students beginning Spring 2009 and forward. Use this form to collect signatures from presenters. You will need to submit this page with your Practicum Intent form. The application process for Practicum/Internship usually starts in November each year.

Event	Signature	Date
Campus Orientation		
Meet and Greet		
APA Style Workshop		
Library Instruction Workshop		
Membership in a Professional Organization	Provide Organization Name and ID or Certificate Number	
Attendance at a Professional Organization Event
