

Argosy's Student Government Association (SGA) serves as the voice of the student body to the administration and to the faculty council. The SGA speaks for the students and forwards the needs, concerns, and ideas of the student body to improve both academic and campus experiences. In addition to serving as a liaison for students, the SGA President, in conjunction with the three SGA VP's, is also responsible for promoting student involvement with campus activities.

To accomplish these goals and to promote interaction between students in all Argosy programs, the SGA organizes various events, such social functions, student forums, and town-hall meetings throughout the year. It is the SGA's sincere hope to address student concerns and to facilitate growth of students in all programs at Argosy University.

We believe that having an active and involved student body is the best way to ensure that student needs are properly met within our university. In striving to help students expand their professional knowledge and development, the SGA offers stipends for students attending industry related conferences. For more information regarding this program, please visit: [http://www.ausga.net/Requesting\\_Funds.html](http://www.ausga.net/Requesting_Funds.html). Additionally, elections for next year's SGA representatives will be held in November and the SGA encourages students from all programs to become involved in the election process.

There are many channels of communication that students can utilize to connect with the SGA. These include email ([argosychicagosga@gmail.com](mailto:argosychicagosga@gmail.com)), our website (<http://www.ausga.net/>), the student lounge suggestion box, Facebook, and of course, in person. We encourage students to reach out to the SGA any feedback, questions, ideas, or concerns.

Warren Bowles, VP of Communications, SGA  
Paul Losoff, President, SGA
