

Needing Forms?

Contact your advisor, Nicole Blotnick (at nblotnick@argosy.edu or 312-777-7639), if you want to know if you need to fill out a form for something in particular or how to get a form. For example, **you need a form if you plan to take an entire semester (meaning 15 weeks) off.** This is **VERY** important as if you do not fill out the Temporary Withdrawal form and you fail to register for an entire semester, you will be withdrawn from the program and would then need to be reinstated (which requires yet another form). **NEVER** do this without filling out the appropriate form. Contact Nicole if you are uncertain if you need a form.
